## Preschool Supply List 2017-2018

- A zippered book bag (no wheels) large enough to hold an 8 ½x11 folder and bath size towel. Your child's name should be written on the inside of the bag, not the outside, for safety reasons. We will attach a small name tag to each child's book bag with the bus/car/daycare rider information. If the child changes book bags this tag will be needed.
- A regular size bath towel for rest time with the student's name on it. Please do not send blankets, quilts, beach size towels or pillows as we do not have storage space for these items. Towels will be sent home on Fridays and should be brought back clean on Mondays.
- A change of clothes (long pants- no shorts), a shirt, socks, and underpants in a sealed plastic bag. It will only be necessary to write your child's name on the bag. This needs to be replaced if used. Please wash and return. Sometimes we have to use clothes we keep on hand at school. Please wash and return these items.

**Write your child's full name on all items. Pack the supplies in their book bag and have your child bring them on the first day he or she is scheduled to come to school. Individual teachers may request a few additional supplies at open house.**
