155 Mt. View Avenue, Danville, VA 24541

(434) 799-6430

### **Glenwood Elementary**

(year-round)

A setting in which students become aware of their role in the natural world through scientific investigation, community involvement and technology, and work to conserve natural resources.

1540 Halifax Road, Danville, VA 24540

(434) 799-5129

### **Woodrow Wilson Elementary**

(year-round)

A rich, classical academic program emphasizing fine arts instruction with stage productions, performing ensembles, and other art education experiences in leadership, technology, music, and the visual arts. This small, academic setting allows for character development and sustained relationships, which are the foundation for outstanding academic achievement.

1005 N. Main St., Danville, VA 24540

(434) 773-8204

### **I. W. Taylor Elementary**

(year-round)

A Four Block Reading Model is utilized to enrich a strong academic curriculum governed by the Virginia Standards of Learning. Hands-on interdisciplinary studies develop well-rounded young people and provide opportunities for them to think creatively and solve problems in the 21st century.
